If any such notice informs the Debtor that the amount of the payment has increased or decreased, the change in the plan payment to the Trustee will not require modification of this plan.

B. Mortgages and Other Direct Payments by Debtor. Payments will be made outside the plan according to the original contract terms, with no modification of contract terms, unless otherwise agreed to by the contracting parties, and with liens retained.     - (2) Deem the pre-petition arrearage as contractually current upon confirmation of the plan for the sole purpose of precluding the imposition of late payment charges or other default-related fees and services based solely on the pre-petition default or defaults.
    - (3) Apply the post-petition monthly mortgage payments made by the Debtor to the post-petition mortgage obligations as provided for by the terms of the underlying mortgage note. Late charges may be assessed on post-petition payments as provided by the terms of the mortgage and note.
